# FEBRUARY 2021 NEWSLETTER

## UNITING COMMUNITIES THROUGH YOUTH FOOTBALL

Bokamoso Solar was pleased to support a local community soccer tournament that was held at the Tswelelang Stadium and hosted by Maquassi Hill Local Football Association, 16th to the 27th December 2020.

Players were kitted out for the tournament, helping to lift spirits and unite the teams. In addition to soccer kits, trophies and medals, prize money was also funded to help make the tournament a success and fun for all players and community enthusiasts that came to support the event.

"Football is very important to this community as it is affordable and can be played in open spaces, plus playing organised football helps create a platform for youth," **said Mr Boko, LFA Chairperson.**

### SIX STEPS TO **WASHING YOUR HANDS**

The Department of Health recommends washing your hands with soap for 20 seconds, to help slow the spread of coronavirus.

Use soap

Rub palm to palm  
with fingers

Rub tips of fingers

Rub each wrist

Rinse your hands

Dry your hands

## SUPPORTING A UNITED FRONT TO TACKLE GENDER BASED VIOLENCE

Bokamoso Solar has demonstrated its support of raising awareness of Gender Based Violence.

Funding was allocated towards an awareness campaign, hosted by the Kanana Helping Hands Centre, to draw attention to and educate community members around Women and Children abuse.

The event, which was held at Kanana Ward 22 Community Hall, was widely attended by the Kanana community, the Department of Welfare, the Kanana Youth Organisation and personnel from the local Ward Council.

The South African government has addressed the need to curb Gender Based Violence, which affects millions of people in our country, asking for a united front to address this serious issue.

## GRADE 12 CAMP TO HELP IMPROVE EXAM RESULTS

A 26-day intensive academic Grade 12 camp was hosted in December for around 1 500 learners at Kanana Secondary and Maitemogelo Comprehensive Secondary schools, to help counter the massive impact that the COVID-19 pandemic inflicted on the 2020 matric class.

This academic camp was held to help learners prepare for their most important examinations of their school career, following a very hard year that resulted in many months of lost classroom time.

Bokamoso provided the necessary funding, in response to a request by the Department of Education for Matlosana and Maquassi Hill, with the aim to supporting community learners.

## LEARNERS EXCITED TO START GRADE R

103 Grade R learners from the communities in Maquassi Hills were given school bags and all the required stationery in December, in anticipation of this exciting school year.

These young learners from Reyabopa Early Learning Centre, Neo Pre School, Reagola Crèche and the Rethabile Crèche, received their school packs at a Christmas Party, held on 17 December 2020 at Leeudoringstad Aqua Park. The event was also attended by the management committee, Social Development Officials and other guests, who enjoyed watching the children having fun.

As part of Bokamoso Solar's focus on supporting local Early Childhood Development, the gifts were handed over to the young learners at the event hosted and attended by the Maquassi Hills Department of Social Development, in conjunction with the Kgakala community crèches.

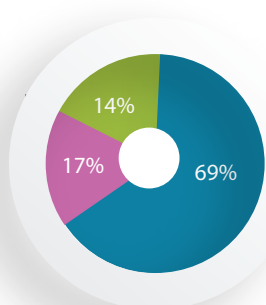

## 2021 UPCOMING COMMUNITY MEETINGS

Details of the next community engagements will be communicated on Bokamoso Solar's online platforms as no face-to-face meetings are permitted during the national lockdown.

## QUARTERLY SPEND BREAKDOWN (Q4 2020)
