# QUARTER 1 2022 NEWSLETTER

## GRADE 12 AWARDS 2022

To reward the top achieving Matric class of 2021 for their academic excellence, a congratulatory ceremony was held earlier this year at the Orkney Community Hall, in the North West Province.

These matriculants, from schools across the Maquassi Hills and Matlosana municipalities, are the second group in as many years, to be awarded certificates and laptop equipment, in recognition of their outstanding academic results.

One of the beneficiaries, Azrah Ebrahim from Hoërskool Wolmaranstad, had this to say: "It feels great to know that the hard work and dedication I had put in over the years did not go unnoticed. I am very grateful to have received this award and laptop, as it serves as motivation to push through the 2022 academic year."

## ENTERPRISE DEVELOPMENT PROGRAMME

We are proud to announce that the first cohort of SMMEs registered in the Enterprise Development (ED) Programme in 2021 have completed phase 1 of the programme. Furthermore, we will be selecting an additional 10 to 15 SMMEs to join the programme this year.

"Through the workshops, I have been able to gain a better understanding of how to deal with finances and make informed business decisions based on the money we have," said **Stephen Matsepa of Matebe Holdings**, one of the participants of the programme.

The Economic Development Hub continues to operate well in 2022 and is located at 794 Mbeane Street, Kanana. The office is open Monday through Friday between 8am and 4pm.

## YOUTH DEVELOPMENT PROGRAMME

Our Youth Development Programme, in partnership with Angels Resource Centre, will continue to run throughout 2022, developing youths within the Kanana and Kgakala communities.

Twenty young adults will be selected to participate in this 12-month Skills Development Training programme.

All participants of this programme will graduate during a one-week youth camp hosted at the Soetwater Environmental Centre, in Kommetjie, in Cape Town.

The participants will be awarded a "Certificate of Participation" for attending the Youth Leadership Camp as well as a "Certificate of Completion" for completing the training course.

"It will be a week of outdoor activities where the young people can discover their strengths and leadership skills, while also having fun," said **Lizelle Coombs, Social Philanthropist from Angels Resource Center.**

## SCHOLARSHIP PROGRAMME

Edward Motjope is one of the proud beneficiaries of the Bokamoso Solar Scholarship Programme. He is currently studying for a degree in Education, at the University of the North West.

This programme awards scholarships to prospective students, within the Kgakala and Kanana area, who qualify to study for an undergraduate degree or National Diploma at a recognized University or TVET College.

"I am very happy to have received the Bokamoso Solar Scholarship as it has given me the opportunity to pursue a degree in Education. Although I registered late, I was able to catch up with my studies without having any financial stress. I would like to encourage other students out there to apply for opportunities when they present themselves," said **Edward.**

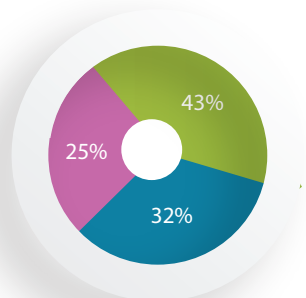

## 2022 UPCOMING COMMUNITY MEETINGS

Details of the next community engagements will be communicated on Bokamoso Solar's online platforms as no face-to-face meetings are permitted during the national lockdown.
